

1. Sign In

Sign in with your school network login. If you have linked your @ccsmail.org account, just click "Sign In with Google"!

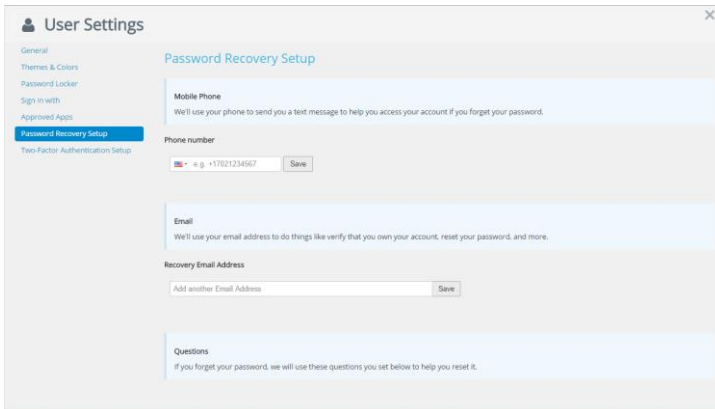

2. My Profile

Here is where you change your profile picture, access your password locker, sign in with options, and other features.

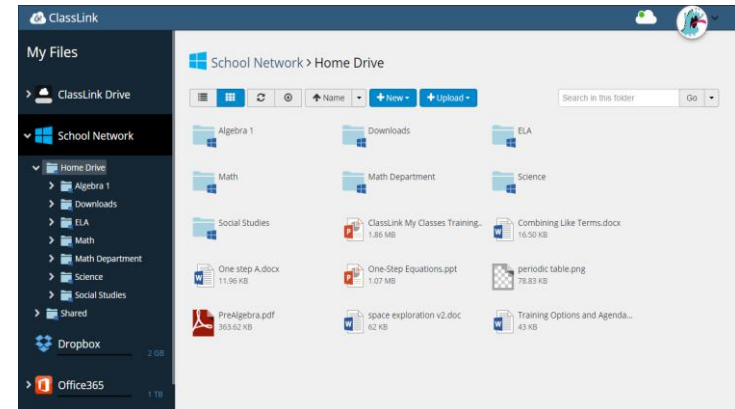

3. Password Locker

Profile Settings > Password Locker allows you to update and change your stored username and passwords for your Single Sign On applications.

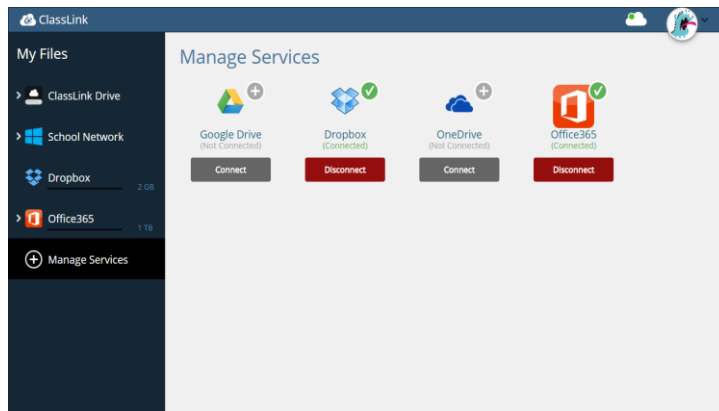

4. My Files

My Files > School Network allows you to access your school network drives from any device, any where, any time.

5. Cloud Drives

My Files > Manage Services > Connect allows you to connect Google Drive in ClassLink to access all of your files in one location!

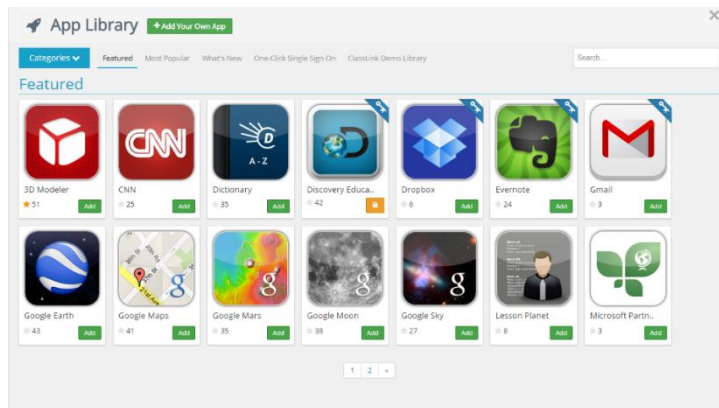

6. My Apps

The My Apps screen is where all of your online resources will be located. Enter your username and password once (if prompted) and ClassLink will remember it for you!

7. App Library

The library contains over a thousand educational resources to choose from. Click the Plus (+) on the top left of the My Apps screen. Click Add on any app to place it on the My Apps screen.

8. Edit Mode

To go into Edit Mode, click the paper and pencil symbol on the top right of your screen. While in Edit Mode, you can create folders and customize your My Apps screen.
